

Project Proposal

This document is for review purposes only. To submit a project for World Maker Faire New York 2010, complete the entry form at: <http://makerfaire.com/newyork/2010/entry/>

Submitting your project for World Maker Faire New York 2010 is a three-step process:

1. **Project** - Tell us about your project, this information will appear on our website
2. **Maker** - Time to tell us about you
3. **Exhibit** - Please explain the details required to set up your exhibit

Submit Your Project for Maker Faire New York 2010 Project Details (Step 1 of 3)

*Indicates a required field.

- Project Name * Provide a short, catchy name for your project.
- Project Description *

In 50 words or less, describe your project and what it does. This information will appear on our web site.

- Project Website Address (URL) *
Example: <http://www.mygreatproject.com/>

Provide a link to more information about your project.

- Project Photo
Example: http://farm1.static.flickr.com/6/68664708_c51771e83e_b_d.jpg

Please provide the web site address (URL) to a photo of your project for use on the Maker Faire web site.

Arts	Crafts	Engineering	Food/Sustainability
Green	Music	Science	Young Makers

Choose the best category for your project.

- Reference(s)

Are there other makers who are familiar with your work? List their email or other contact info here if we may contact them.

- Are there other organizations or makers that we should be contacting about participating in Maker Faire?
- SUBMIT

Submit Your Project for Maker Faire New York 2010 Maker Details (Step 2 of 3)

*Indicates a required field.

- **Public Information**

Name * First Last

- Organization/Company
Use organization as Maker name

- Bio
Please tell us about yourself in 50 words or less; we'll use this on our web site and in printed materials.

- Photo to display with Bio (URL)
Head shot preferred

- Personal Web Site Address (URL)
- Location* City State / Province

- **Contact Information**

NOTE: Please make sure your email address is valid. We will be sending important communications to you via email regarding your participation in Maker Faire.

Email Address *

We've pre-filled this with your account email address, but you can use a different one for Maker Faire communications if you like by changing it here.

- Display email address on Maker Faire web site? * Yes No

If you choose "yes", we'll display the email address you use above on our web site and we'll munge it with javascript to help keep it from being found by spam bots. This helps other makers contact you if they're interested in your project and have questions or comments.

- **Private Information**

This information will only be used by Maker Faire staff.

Phone number *

Address *

Street

Address Line 2

Postal / Zip Code

Country

What groups or organizations do you belong to?

- SUBMIT

Submit Your Project for Maker Faire New York 2010 Exhibit Details (Step 3 of 3)

*Indicates a required field.

- Commercial Maker Exhibits *

If you would like to sell your own creations while exhibiting at Maker Faire you are welcome to do so as a "Commercial Maker". Commercial Makers are responsible for their own business transactions - whether it be via cash, credit card, barter, or some other means. The fee for Commercial Makers is \$100, which will be invoiced in advance and payable prior to receiving your Maker credentials.

I DO plan to sell merchandise at Maker Faire 2010 as a "Commercial Maker"
I DO NOT intend to sell merchandise at Maker Faire 2010

- Your Exhibit Space *

Standard set-up includes a 10 X 10 space, a table and 2 chairs

Standard set-up Don't need table and chairs Mobile (will move through the Faire) Non-standard set-up

Describe the space requirements for your set-up:

Do you need more or less space than the standard 10 x 10? If you need something other than a table and 2 chairs, please describe.

- Location * Indoor Outdoor Either
